NOTICE. We give no warranty express or implied as to the productiveness of any seeds, bulbs or plants we sell and we will not be in any way responsible for the crop. Our liability in all instances is limited to the purchase price of the seed. Quotations subject to market fluctuations and unsold.

### CORNELI'S NEW STANDARDIZED PACKAGE PLAN

To comply with War Production Board regulations limiting bag sizes and to give you quicker service and to help us avoid errors in filling your orders with wartime help we have adopted standard bag sizes for each kind of seed. They are based on a study of sizes usually ordered. The new Standard Sizes are listed at the top of each price column. We will use the least possible number of packages to fill the quantity ordered of each item.

#### BAGS

On full bag orders of Beans, Peas, and Corn, bags are supplied at no extra charge. On full bag orders for all other kinds of vegetable seeds, bags will be charged extra and are not returnable.

Except for "Pack Bags", no extra charge will be made for bags with any kind of vegetable seed ordered in less than full bag quantities if the order may be filled with "Standardized", broken bag sizes as shown over each price column.
